

FLT SERIES

FLT SERIES | 8 SKUs, 3 LENGTHS

FREEWHEELING

3X rewind, high-visibility housing! Our patented freewheeling release enables you to disengage the gearing, paying out the blade without a whirling handle.

Count on Keson Fiberglass Tapes for the strength and accuracy you expect on your job. Easy-to-read permanently bonded graduations. Folding end hook. The cross-arm open reel has a folding rewind handle and a “stake point.” Designed to withstand more wear and tear than any other kind of measuring tape! Given the roughest treatment possible... trampled underfoot, dragged through mud, dust, or rock abrasion, Keson fiberglass tapes go on taking abuse with little or no deterioration.

FEATURES

1. **Ergonomically Designed Housing Handle** with tactile rubber grip for balance and comfort.
2. **Freewheeling Hub** for fast pay out of blade without spinning crank. No more busted knuckles! Re-engage with the push of a button.
3. **Locking Pawl** enables proper blade tension during measurement.
4. **Double PVC Coated Fiberglass Blade** is nonconducting, top-quality, and won't shrink or deteriorate.
5. **Massive Crank Arm** with large, easy-grip knob for comfort and reliability.
6. **Knob** folds down for storage
